BEST PRACTICES – DEPARTMENT OF BOTANY

1. Title of the Practice: Documentation of People's Biodiversity Register

2. Goal:

Documentation and conservation of flora and fauna, Identification of nati vaidyas and the ethnobotanical usage by using biological resources, promotion of sustainable use and equitable sharing of biodiversity resources such as habitats, domesticated plants, Indian breeds, etc at the level of Gram Panchayats.

3. Context:

The Technical Support Group consist of a Co-ordinator (Dr. Syed Abrar) three students of Sahyadri Science College, Shivamogga from B.Sc. of CBZ combination. The Technical Support Group will provide technical inputs and advice to the Biodiversity Management Committee (BMC) on identification of plants and animals, identify and document nativaidyas, monitor the PBR exercise, and maintain a database of local flora and fauna.

4. Practice:

1. Framing of Biodiversity Management Committee (seven members) in each gram panchayat.
2. The main function of the BMC and technical group is to prepare People's Biodiversity Register in consultation with the local people. The Register shall contain comprehensive information on availability and knowledge of local biological resources, their medicinal or any other use or any other
3. To maintain data about the local vaidyas and practitioners using the biological resources.
4. The Authority shall take steps to maintain the electronic database.
5. The technical support group shall provide guidance to the Biodiversity Management Committees for maintaining People's Biodiversity Registers.
6. The People's Biodiversity Registers shall be by the Biodiversity Management Committees.

Fax:08182-240138

E-mail:sahyadriscience@gmail.com

Web : www.kussc.ac.in

5. Evidence and Success:

A total 20 PBRs were prepared in sagara taluk of Shivamogga district. The Gram Panchayats were Aralagodu, baruru, Bhanukuli, Bheemanakone, Bheemneri, Hirabilagunji, Hirenelluru, Hosuru, Kanle, Khandika, Kudruru, Malve, Marthuru, Naadakalasi, Padavgodu, Shirivante, Syduru, Thalavata, Thyagarthi and Yadajigalemane

6. Problems encountered and resources required:

The vicinity of the Gram Panchayats will be very much high in terms of acres. It was difficult to cover the different landscapes in some days and the interior places were not procured with the roadways, which made technical support group to reach the places by walk. There were some nait vaidyas who were not willing to disclose the ethnobotanical aspects for documentation.

Visit to GRS engineering Pvt. Ltd., Mysore

Taking India to the world

Delivering solutions across the globe.

GRS Industrial Visit

GRS Engineering Pvt. Ltd. is a sister concern of GRS Fantasy Park & GRS Snow Park. With state of the art manufacturing plants based in Mysuru, we are suppliers of forged, machined and assembled products in industries like automotive, heavy equipment, machinery and tooling.

Key Capabilities			Awards		Certifications		
							
Global Direct Supply	State of the Art Inspection Facility	Machining Accuracy	Export Excellence Award By EEPIC	Best Supplier Award by AAL	CERTIFIED ISO 9001:2015 COMPANY	TUV SUD	CERTIFIED IATF 16949:2016 COMPANY

All students will be given industrial visit certificate.

FREE ENTRY

NOTE

- This offer is extended to Institutes who visit GRS Fantasy Park & GRS Snow Park.
- Our factories are 2 kms from GRS Fantasy Park.
- Only limited number of slots per day, please pay advance to confirm booking.
- Strict adherence to factory rules and regulations is compulsory.
- List of student/faculty name along with ID Card compulsory before entry.
