Activities for the academic year 2019-20

1. October 16, 2019: On the occasion of “**Women Farmers Day**” (**Mahila Kisan Diwas**), a talk was organized by WEC in association with IQAC. The successful and progressive female farmer of Karnataka **Smt. Kavitha Mishra** addressed the students and faculty. Smt. Kavitha Mishra, a computer engineer turned sandalwood cultivator. She advised, don't do free farming; earn money for everything you plant. She shared, I cleaned the land and thought I would do some cultivation, but didn't have much hope. With the money I received from selling my gold, I learned about the process of starting cultivation with the help of a few experts in the state, I learned the lay of the land and started growing fruits. With the help of workers she made organic fertilizer with cow urine and sheep dung and never used chemical fertilizers. She has been lauded for her environmental friendly ways, as well as for empowering poor farmers of the region. The talk witnessed and inspired the students and teachers as well as non-teaching staff.

2. March 7, 2020: International Women's Day was celebrated in the college by WEC in association with NSS and IQAC. On this occasion Prof. K.T. Parvathamma, Principal, Kamala Nehru Memorial National College for Women, Shivamogga & Sydicate Member of Kuvempu University addressed our students. She said, the status of women in India has been subject to many changes over the span of recorded Indian history. With women increasingly becoming independent economically, men are being forced to take up new responsibilities, which are considered “women's work”. The economic situation and basic necessity have forced both men and women to reexamine traditional, existing social situations.

3. March 29, 2020: “**Skill Development for students- Need of the hour**” was organized in association with IQAC. Ms Apoorva K.O. Asst. Manager-HR, Shahi Exports Pvt. Ltd. KIADB Industrial Area, Shivamogga, addressed the students and said, in the wake of the changing economic environment, it is necessary to focus on inculcating and advancing the skill of the young students of the country. We need in-built programs developed by educational institutions to empower skill set as part of their curriculum. She gave detail information of schemes & initiatives of Pradhan Mantri Kaushal Vikas Yojana, Skill development courses for ladies by government. This helped to know more about skill based education and how it empowers students to become successful in their chosen field.

Activities for the academic year 2020-21

1. September 16, 2020: Online Webinar on “Coping with stress” was organized by WEC in association with IQAC. Smt. Padmini T.R. Cancellor, Shivamogga, addressing the students said Covid-19 pandemic has had a major effect on our lives. Many of us are facing challenges that can be stressful, overwhelming and cause strong emotions in adults and children. Public health actions such as social distancing are necessary to reduce the spread of COVID-19, but they can make us feel isolated and lonely and can increase stress and anxiety. Learning to cope with stress in a healthy way will make you, the people you care about, and those around you become more resilient. She suggested: take break from news watching, reading or listening. Take care of your body by meditation & healthy food, connect with others and help the needy. Students were benefitted with this talk.

2. March 16, 2021: International Women’s Day was celebrated in the college by WEC in association with IQAC. In this regard A **Marathon was arranged with a theme- Respect and protect our elders and senior citizens.** Additional DC of Shivamogga Smt Anuradha and Smt. Bharathi Anilkumar Inspector, Traffic Police Shivamogga International Power lifter and Ekalavya Award Winner inaugurated and participated in the marathon. In her address Smt Anuradha expressed deep concern about elders in old age homes and insisted for caring our parents and elders with love and respect. About 200 girl students and college faculty participated in the Marathon run. In the evening a visit to “Jeevana Sanje” vruddashram an old age home was arranged and students and staff spent memorable moments with elders. This program provided a platform for girl students to interact with elders & veterans in the old age home. Students came to know about the feelings and mental stress of elders staying away from their family members. This event created awareness in students and staff about the need of caring, loving and protecting our elders and parents. Though it’s a one day programme, the message will be carried for the lifetime.

3. March 29, 2021: Essay writing Competition on **“Gender Equality-problems and perspectives”** was organized in association with IQAC, to make our students familiar to current issues. Every child deserves to reach her or his full potential, but gender inequalities in their lives and in the lives of those who care for them hinder this reality. In the essay many students expressed the fact that India will not fully develop unless both girls and boys are equally supported to reach their full potential.

Report on International Women's Day Celebration-2022

International women's day was celebrated at Sahyadri Science College on 12th March 2022. In this regard a workshop on "Women Towards Skill".....was organized by Women Empowerment Cell in association with Internal Quality Assurance Cell. The purpose of this program is-To create awareness about the status and dignity of women and importance of women empowerment through skill development among students and staff.

The workshop was inaugurated by smt. Suhasini M., Community Affairs Officer. City Municipality, Bhadravathi, along with resource person smt. Noorjan and smt. Vidushi Girija H.G. In her inaugural address smt. Suhasini M. in her inaugural address said- the economic empowerment of women is a prerequisite for sustainable development. Skill development is a key to improve employability and income earning opportunity for women. Resource person performed a live demo of - knitting, embroidery, stitching and making of simple bags & purses.

Students, teaching and non-teaching staff enjoyed the program through active participation and learning & practicing the simple designs. Our respected principal Prof. H.M. Vagdevi presided and graced the function.

The status of women in India has been subject to many changes over the span of recorded Indian history. With women increasingly becoming independent economically, men are being forced to take up new responsibilities, which are considered “women’s work”. The economic situation and basic necessity have forced both men and women to reexamine traditional, existing social situations.

In her talk, she explained about her effort to bring social transformation in her tribal community. A rational awareness and change in mindset is possible only through good education. Women should be employed and realize their own power. She surpassed various challenges and limitations to become an achiever.

The talk witnessed and inspired the students and teachers as well as non-teaching staff.
