17-03-2023

Name of the event: Talk on "Menstrual health & hygiene"

Report of the event

March 17, 2023 A talk on "Menstrual health & hygiene" by Dr. Veena Bhat, Senior consultant, Gynecologist was organized. One aspect of women empowerment is to explicitly talk about and manage traits exclusive to women and physiology. It seems to be a familiar topic but is actually one of the most mismanaged phenomena in India. Dr Bhat explained why vaginal health is important. She said that every woman should be aware of the signs and symptoms of vaginal problems and take important measures to ensure a healthy vagina. The talk witnessed the large participation of students and teachers as well as non-teaching staff.
